.....

Student Signature _____

Parent Signature _____

- Please return this agreement to Mr. Schrameck, Mrs. Everett or Mr. Brown by Thursday, April 8 along with the fairshare page in this packet and your first marching band payment. Make checks payable to the "Milford Band Boosters."
- The fairshare page includes information regarding ordering red band jackets and summer polo shirts, which are required garments of ALL members. Be sure to add these amounts to your 1st payment if applicable.
- Student credit may be used for the first payment if the funds are already in place in the account. Credit may NOT be used for the jackets and summer polos. These will become property of the student.
- This first payment is a deposit and will allow our booster organization to immediately begin making payments for travel arrangements, accommodations and staffing. Please note that it is non-refundable.
- Should a member decide, for any reason, to drop out of the marching band program after August 1, 2010, all fees paid until that point are non-refundable.
